1. Study Title and Number

Study Title: CO-CREATE-Ex: Community-engaged Optimization of COVID-19 Rapid Evaluation and Testing Experiences

Study Number: # 806121

2. Study Information

Dr. Louise Laurent and their research team are doing a research study to find out more about COVID-19 in children and their families or friends. You are being asked if you want to be in this study because you are a child who lives or goes to school in the Central and South San Diego community

If you decide you want to be in this research study, this is what will happen to you:
We will ask you to swab your nose to test if you have COVID-19.

Sometimes kids don't feel good while being in this study. You might feel these things:
If your nose is swabbed, it may tickle your nose. Some kids think it is uncomfortable.

If you feel any of these things, or other things, be sure to tell your mom or dad.

You don't have to be in this research study if you don't want to. Nobody will be mad at you if you say no. Even if you say yes now and change your mind after you start doing this study, you can stop and no one will be mad.

Be sure to ask Dr. Laurent or their research team to tell you more about anything you don't understand.

_____ Yes, you will be in this research study.

_____ No, you don't want to do this.
